

Introducing the New... **Potenza Height Adjustable Desk**

The Potenza managerial desk is the most versatile piece of office furniture that will take your working space to the next level.

- With easy and convenient adjustable height, sleek steel frame, melamine desk top and shark nose edging, it makes this piece a beautiful item to have and use everyday.
- Equipped with two powerful, low noise motors, as is used in the medical industry.
- The height adjustable options enable you to create an ergonomic workplace by setting your desired working height quickly and easily.
- The return has an added two doors, one draw and one file cabinet, offering a large amount of storage room to improve your working efficiency.
- This desk has a Greenguard & BIFMA certificate, meaning you not only work in an ergonomic workplace but also in a cleaner one.
